

Barnet Society Blue Badge Fraud

Registration number.....

This vehicle has been reported to Barnet Council's Anti-Fraud Team for breaching Blue Badge regulations, a criminal offence. If you dispute this allegation, contact the council on **0208 359 2007359**

Where a driver without an obvious disability gets out of a car and puts a blue badge in the dashboard, then they are committing an offence. Obviously, you need to witness that, not just suspect it.

It is best that you do not attach the notification in their presence. After all, these people are petty criminals and might become aggressive. Rather, wait till they have left the scene and fill in the details.

By putting a slip on their windscreen, it allows them the chance to rebut the allegation, but also, it should give miscreants second thoughts about doing it again.

Please let us know the registration/date of people you report so that we can follow it up with the authorities.
